Understanding that as a participant in the European Games, participating in an exceptional event which has ongoing international and historical significance and, in consideration of the acceptance of my participation therein, I agree to be filmed, televised, photographed, identified and/or otherwise recorded during the European Games, and that my captured or recorded image, together with my name, likeness, voice, performance and biographical information, may be used in any content, format and through any media or technology whether now existing or created in the future, by the EOC and third parties authorised by the EOC during and after the European Games in perpetuity in relation to the celebration and promotion of the European Games, the Sport Movement and the EOC in a commercial or non-commercial manner.

2. Processing of personal information: MEGOC, EOC and Belarus authorities require access to certain information, in particular to ensure the security at MINSK 2019, manage accreditations, competitions and results, carry out the anti-doping activities, prevent manipulations of competitions and provide services to participants and to the media.

I agree to personal information about me (Personal Data) being collected by MEGOC and shared with the EOC and to such data being stored and used by MEGOC and the EOC in any place required for their operations (including outside the Republic of Belarus), for the purposes of facilitating my participation in, and/or organising, MINSK 2019. This consent includes in particular the right for MEGOC and the EOC to collect and process my Personal Data, including where necessary to share such data with Belarus law enforcement authorities, the World Anti-Doping Organisation, the Court of Arbitration for Sport and other third parties, in all manners and for the duration necessary for the following purposes:
