World Athletics Certification System - Confirmation of Compliance

Name of Facility: Marselishhallen, Aarhus Atletik- og Løbeakademi ,

City, Member Federation: AARHUS, DEN

Synthetic Surface Product Certified: Stobitan SW, S-05-0058, Stockmeier Urethanes GmbH & Co. KG

Installer: Laiderz, DEN, 01 October 2019

Surveyor: Kanstet Ltd, EST, Valeri Bukreyev, 16 January 2023

Line Marker: Kanstet Ltd, EST, Valeri Bukreyev, October 2019, update January 2023

I am pleased to confirm that the indoor athletics track of the Aarhus Atletik- og Løbeakademi, appears to comply with the World Athletics specifications for 50m & 60m sprints, 60m hurdles, High Jump, Pole Vault, Long & Triple Jump and is acceptable for international competitions for these events. The Shot Put landing area extent does not meet international requirements, therefore Shot Put is not part of this Confirmation of Compliance.

This letter of compliance is valid until October 2027

Yours sincerely,

A handwritten signature in black ink, appearing to read "Imre Mátraházi".

Imre MÁTRAHÁZI
